

Help protect your community

Faith Security Training (FST) is a new training scheme available for faith communities in England & Wales.

Learn how to help protect your place of worship from anti-social behaviour, crime and serious threats.

FREE

Cost

The scheme is completely **free** – it's being delivered on behalf of the Home Office by CDS Support Ltd.

Where

You can attend an in-person training session, an online event, or eLearning.

Who

Both multi-faith and faith-specific sessions are available.

Who should attend?

FST is intended to upskill those with security responsibilities at their place of worship, such as faith leaders, trustees, facilities management, and community volunteers.

What will you learn?

Training will cover:

- Understanding threats to security
- Pre-incident actions and incident response security measures
- Risk scenarios
- Security governance
